

**Kennesaw State University/Georgia Highlands College
Learning Support Bridge to KSU Program**

Participation Acknowledgment Form

Invited students must indicate their interest in the KSU/GHC Bridge program by completing this Bridge interest form. After a student officially indicates interest in Bridge, the KSU Office of Undergraduate Admissions will forward the student's application and educational information to Georgia Highlands College (GHC).

Invited students will be officially accepted into the Bridge program once they have submitted this form along with the GHC application and have received confirmation of admission to Georgia Highlands College. **Space for this program is limited, so students are urged to indicate their interest and reserve their space as early as possible.**

This form is required for all students participating in a Learning Support Bridge to KSU Program. Please fill out the information below and electronically submit this form, which will be sent to the Transfer and Adult Admissions Services (TAAS). TAAS will contact you once the form is received.
