Owl Express, our online one-stop shop, is where several of these next steps can be completed. Student email is the university’s only official way of communicating with you after acceptance. Be sure to check your KSU email often so you stay on track in completing your next steps.

Visit uits.kennesaw.edu/support/netid.php and select First-Time Users and follow the prompts to get started.

TIP Did you know you can forward your student email to an outside address?

How to forward email to another address:

1. In the Outlook Web App, click on the “Settings” icon.
2. At the bottom of the “Settings” window, click on “View All Outlook Settings.”
3. With that window open, select “Mail” in the left-hand column.

Satisfying these requirements will prevent a hold** from being placed on your account.

*Satisfy your lawful presence verification by accessing the instructions found at https://lpv.kennesaw.edu/.
**Holds must be removed at least 30 days prior to attending KSU Orientation.

For Georgia residents, KSU will request your immunization form from the Georgia Immunization Registry (GRITS). Non-Georgia residents may access the form and submission instructions through immunizations.kennesaw.edu. Taking care of these items will allow you to register for classes during Orientation. admissions.kennesaw.edu/resources/application-status.php.
