Testimonials from #InternationalOwls

**PRISCILA - CLASS OF 2020**

**Country of Origin:** Venezuela  
**Major:** Management (BBA) with a Minor in Marketing

My time here at KSU has been amazing. I have made so many friends and I truly feel like KSU is my home away from home. My favorite thing about KSU is its location because both campuses are located in small towns next to a big city.

Mi tiempo en KSU ha sido asombroso. He hecho muchas amigas y amigos y en verdad siento que KSU es mi hogar lejos de mi hogar. Mi aspecto favorito sobre KSU es su ubicación porque ambos campuses están en pueblos pequeños a un lado de una ciudad grande.

**DOLAPO - CLASS OF 2023**

**Country of Origin:** Nigeria  
**Major:** Nursing (BSN)

While applying to KSU, the international admission office was always willing to help me out any time I reached out to them from Nigeria. Coming from an African country, I wanted to attend a university that would make me feel at home while exposing me to different cultures. KSU made it possible through International Student Association (ISA), African Students Association (ASA), and Global Village. I was warmly welcomed and already knew I was going to have a sense of belonging when I attended the International Student Orientation.

**EMRE - CLASS OF 2023**

**Country of Origin:** Turkey  
**Major:** Computer Engineering (BS)

One of the great features of Kennesaw State University is that its campuses are close to Atlanta, a city with strong global ties and a diverse population. Thus, I invite you to join Owl Nation soon. If you see me on campus, I want you to know that you have made a new friend.
